How many casual leave days do I get per year?

HR Bot:

Every employee is entitled to 12 days of casual leave per calendar year.

You:

When is salary credited to my bank account every month? Can I work from home on Wednesdays and Fridays? What should I do if someone harasses me at work? How many days of maternity leave am I eligible for? What is the reimbursement limit for internet/mobile expenses? Do I need a VPN while working remotely? What happens if I don't submit my investment declaration on time? What is the company's dress code policy? How long does it take to process my full and final settlement after resignation?

HR Bot:

Here are the answers to your questions based on the provided context:

* ****When is salary credited to my bank account every month?****

I don't know based on the provided documents.

* ****Can I work from home on Wednesdays and Fridays?****

I don't know based on the provided documents. The context mentions "employees working in a hybrid or remote capacity" but does not specify allowed days for working from home.

* ****What should I do if someone harasses me at work?****

Any employee facing or witnessing harassment can report it confidentially to the Internal Committee (IC) or escalate directly through the HR chatbot.
